As Douglas Borthwick's prior employer, I am delighted to provide this letter of recommendation.

I am the Managing Partner of Garrett & Jensen, an AV rated insurance defense and general liability law firm with offices in Santa Ana and Riverside. Doug was an esteemed member of the firm for over a decade.

Douglas is a person of strong character and high standards. He is a good-natured, very honorable and decent young man. His co-workers always appreciated him and spoke very highly of him.

Douglas was a very versatile and valuable attorney. I could always count on him to handle different projects. Over the years, Doug worked on many high-profile cases and managed his case load well. He received many compliments from clients, carriers, and expert witnesses. Amazingly, Douglas was admitted in several other jurisdictions, adding to the firm's value.

I've enjoyed working with Doug and he deserves my unqualified recommendation. Should you have any questions, do not hesitate to contact me.

To whom it may concern:

This letter is in referenced to Douglas Borthwick ("Doug"). I have been a practicing attorney in the state of California for approximately thirty (30) years. My expertise includes being General Counsel for Global Van Lines, Inc. ("Global") for over 7 years. Global was a licensed interstate household motor carrier with the Department of Transportation and had over 250 agents located throughout the United States. Part of my duties included overseeing the litigation for Global, which included cargo, PI-PD, worker's comp claims, contract claims and any matter that involved litigation against Global or its agents that related to a Global issue.

During the time period that I was General Counsel, I referred a worker's comp case to the law firm of Garrett and Jensen known as the "Falkowski" case. That case involved a worker's comp. claim that Global allegedly arose out of his playing basketball while on a work break for the company. For approximately 2 years, Doug handled the case for his firm, which eventually ended in trial in Los Angeles and I oversaw the handling of that case. As a result, I came to know Doug as an extremely hard worker who handled that case very effectively for Global. For the past few years, I have requested Doug's assistance in other legal matters that I have been involved in. Doug has always maintained a professional attitude and has completed very good work.

I highly recommend Doug. If you have any questions, please do not hesitate to contact me.

Very truly yours,

To Whom It May Concern:

Mr. Douglas Borthwick, a recent graduate of the Capital University Law and Graduate Center, recently requested that I write a letter of recommendation in his behalf. I am honored to do so.

Mr. Borthwick was a very solid student. He received A's in courses as diverse as Juvenile Law, Income Tax, Jurisprudence, Legal Clinic, and Criminal Law. His exemplary performance in these courses demonstrates the breadth of his intellect. Mr. Borthwick's intellectual ability was further demonstrated by the fact that he was awarded a Dean's Academic Scholarship on admission to the Law School. Given the strength of his credentials coming into law school and his performance in law school, I am confident that Mr. Borthwick will perform any legal or related responsibilities in a thorough and competent manner.

Mr. Borthwick was also involved in student and law school affairs. He was a student representative on our Faculty Appointments Committee. He took this responsibility seriously and made a major contribution to the Law School. His leadership abilities were respected in Law School and were evidenced in his undergraduate years, as well. For example, he was Senior Class President at Muskingum College.

Mr. Borthwick also evidenced commitment to community service during his time at the Law School. He served as a legal intern for the Franklin County Public Defender's Office, where his work was highly regarded. His commitment to public service demonstrates the professionalism that we hope all of our students will embody.

Based on Mr. Borthwick's intellectual prowess, the respect he earned from his fellow students, and his commitment to service in the community at large, I am confident that he will make a major contribution to the profession. On this basis, I wholeheartedly recommend him for your consideration.

Sincerely,
